Outlook:

Dominic is a true giant, and a throw back post player with a modern twist of athleticism and power. He's incredibly physical, and with his 6'11", 285lb tank of a frame, he's able to muscle up with any big, anywhere. He's got a 7'4" wingspan, and is incredibly athletic. He rebounds and blocks shots at a very high level, has a face up post game, and also uses both hands well to finish with his back to the basket. He has great touch, shoots the mid-range very well, and has tremendous ball skills on top of his shocking quickness for his stature.
