## Outlook:

Marcus Goode is one of one. He possesses unbelievable quickness and footwork, as well as jawdropping ball skills, and he is nearly 611 and 300lbs. There are not many players to compare Marcus to at any level. He is a special talent, and is capable of playing at the highest level. He is very nimble, yet strong, a smart player, and has NBA range from 3pt land, as well as the ability to face up and beat bigs off the dribble. He is a serious low post presence, but is as versatile as they come for someone his size.
