### Outlook:

Milos is a dominant offensive post player who can score with his back to the bucket, face up and shoot high percentages, or drive to the rim and finish strong. He can also shoot the 3 point shot and stretch defenses. Very fast in transition and runs the floor fast. Very aggressive rebounder and shot blocker. Strong finisher in the paint. So strong that clubs have used Milos solely in the paint and have not needed his 3 point shooting ability.
