Outlook:

(by Aran Smith for NBADraft.net in 2006)

Very intriguing because of his ability to run the show from the point guard position ... Has good leadership abilities ... Creates well off the dribble with a quick first step ... Elevates his teammates play with his passing ability ... Excellent vision, creating easy baskets for open teammates ... Thoroughbred type of athlete, very strong frame, think legs, extremely fast in the open floor ...

Not a great spot up shooter, makes most of his shots moving towards the basket, a rhythm shooter ...
